Employer

Name	Identification Number

All pay slips from the abovementioned employer must accompany the application.

As a result of the confirmation by the assessment committee, Iceland Revenue and Customs shall adjust the previously determined tax which the employer withheld from wages and salary for the period when the foreign specialist began working in Iceland until the confirmation took effect. According to Article 30 A, Paragraph 6, of Act no. 90/2003, on Income Tax, cf. Regulation no. 1202/2016, the adjustment applies to 25% withholding from employment income.
